

LAKE CARRIAGE WAY PLAYGROUND & PARK IMPROVEMENTS

The design team at Wight & Co. continues to work on an updated design based on the feedback from the 2nd community input meeting as well as the follow-up survey. The plan is for Wight to present updated concepts to the park district Board of Commissioners at their next monthly meeting scheduled for Wednesday, August 13 at 6:00pm at the Walker Park Rec Center. Members of the community are invited and encouraged to attend as there will also be an opportunity for public comment.
